COUNTY TO HAVE CHAMBER OF COMMERCE

County Chamber Of Commerce To Be Formed

Minden—At a meeting of business men of Haliburton and Minden, held in St. Paul's Parish Hall last Friday night the start was made on the formation of a county Chamber of Commerce.

The meeting was called by the executive of the Tourist Association to consider the plan to discontinue the present association and to form a County-wide Chamber of Commerce with an active tourist committee working within the new body.

Some thirty five members were on hand to hear Mr. David Thompson, the president and Harold Pollock, the secretary manager of the Lindsay Chamber of Commerce.

These two gentlemen gave a very interesting talk on the great benefits that might be expected from a County-wide association and they also gave the meeting valuable information on how to form a local chamber.

After hearing the two speakers from Lindsay and a very informative talk by Harold Proctor, president of the Tourist Association, who acted as chairman of the meeting, each man present was asked to express his views. Without exception every one was definitely in favor of forming a Chamber of Commerce. A committee was then formed, consisting of eight men to formulate plans and methods of procedure to bring the new organization into being.

It is hoped that every business man and woman, every professional man and woman, every lodge or tourist resort operator will join the new Chamber of Commerce, for if they do, we predict great things from this new venture.

Owing to a combination of circumstances, this meeting had to be called on short notice. One of the main reasons was that last Friday night was the only time the speakers from Lindsay could come due to the holiday season. However at the next meeting sufficient notice will be given that all will have time to make plans to attend.

The tourist association has done a great job in promoting the tourist industry but they feel that numerous businesses have not been supporting the association, their reason being that they were under the impression that the association was for the benefit of the tourist resort operat-

Dianne Hambly To Again Coach Minden Figure Skating Club

Minden—The Minden Figure Skating Club will start their skating activities the first Monday night that ice is available. Miss Diane Hambly, who so capably instructed the club last winter, will again be instructress this season.

The Club has now become affiliated with, and holds a membership in the Canadian Figure Skating Association. Their membership was sponsored by the Peterboro and Guelph Skating Clubs. This means that pupils of the Minden Club can now get proper tests and standings as laid down by the Canadian Figure Skating Association.

Membership will again be \$5.00 and membership tickets are now on sale by Mrs. Olga Myles or Mr. and Mrs. Don James.

The financial statement for the season 1951-52 is as follows:

Receipts:	
Bank Balance Nov 51	195.92
Turkey Draw, gross	81.90
Costume Rental, Haliburton Skating Club	\$10.00
Membership Fees,	
68 @ \$5.00	340.00
Donations	31.74
Coffee Sales	3.65
Carnival, gross	399.30
Costume Rental,	
Orillia S. C.	64.85
TOTAL	1127.36
Expenditures:	
Donations to Rec. Cen.	100.06
Turkey for Xmas Draw	8.15
Instruction Fees	390.00
Haliburton Arena,	
ice surface	6.18
Recreation Centre, ice	
surface and carnival	205.37
Carnival expenses	152.41
TOTAL	862.17
Bank Balance, Dec 15.	265.19
	1127.36

ors only. While this has not been the fact, it nevertheless was not conducive to the whole hearted support so necessary for the prosperity of all.

Under the Chamber of Commerce which is recognized as a very potent body across the country, each business and industry will conduct its own particular affairs, such as the retail merchants group, the garage operators group, the tourist resort operator's group, etc., etc., under the overall guidance of the Chamber as a whole.

Dysart Home and School Assoc.

The regular meeting of the Home and School Association was held on Monday, December 15th in the High School, with thirty five members present. Mr. Wm. Schmitt gave the opening prayer, followed by the reading of the Home and School Creed by Mr. Jim Johnston.

Roll Call showed Haliburton 30, West Guilford 2, Donald 3, and Eagle Lake 0. After the reading and confirmation of the minutes the president, Mrs. Bruce Henry, reported that the discussion by the Executive on the motion requesting supervision of play at recess had been defeated after prolonged and careful discussion. Some of the reasons brought forward in the discussion had been that pupils who stay in at recess are in greater need of supervision than those on the playing field; also that conditions will soon change for the better when the older children are moved to the present high school. Parents were reminded that children should not be sent back to school at noon too early, as it was too great a charge for one teacher at noon in the Haliburton Elementary school. Mr. Rosen of the line school had reported that he supervises all play there.

School principal, Mr. Jim Johnston commented that in reality there is supervision of a limited nature on the playground at his school, and that the play ground is inadequate.

The president spoke briefly of criticism of the Home and School Association, and stated that constructive criticism was always welcome, as this organization is new here and faces many problems which are the business of 11 members. Armchair critics who do not attend meetings, but criticize on the strength of hearsay, were invited to attend meetings, then make their suggestions for improvements. A "Question and Suggestion" box was being introduced to be placed at the door at each meeting—these need not be signed, and all parents and teachers were invited to use it freely.

Mrs. Henry also reminded the members that the Home and School Association was not a law making body—but that it's purpose was to study the need of children in the home, school and community, with parents and teachers discussing problems amicably together, and making requests or recommendations in the respective directions; that people must not expect miracles and sweeping changes to happen through Home and School, but that every request or recommendation must be carefully studied and discussed. Most of the discussion is done by the executive and that it was not too soon to start thinking whom they would elect to the new executive next May; that school principals are perman-

Public School Concert

Minden—Wednesday night was a big night for the public school scholars and proud parents. The pupils held their annual Christmas Concert in the auditorium of the Recreation Centre, and this year it took the form of a presentation of the Story of Christmas. The setting and the costumes, as well as the beautiful Christmas music added to the lovely story told. The evening was enjoyed by everyone and the play put us in tune with the real spirit of Christmas.

Minden United Church Junior W.A. Tea

Gay Christmas decorations, a glowing Christmas tree and candle light greeted the guests at the United Church Jr. Women's Auxiliary tea on Friday last. The President, Mrs. Leslie Prentice, presided at the doorway in welcome. There were tables of fancy work, home cooking, plants and knickknacks for the selection of Christmas shoppers. A dainty afternoon tea was served to the many guests.

ent members of the executive that vacancies during the year are filled by appointment by the executive, and that Mr. Wm. Emerson of Donald had been appointed to fill the existing vacancy.

Mr. Litchfield then read an article from "The Ontario Home and School Magazine" entitled Is Santa Claus real? then the health convenor, Miss J. Minott gave a short talk on the importance of a good breakfast, and adequate lunches, pointing out in particular that children who do not eat an adequate breakfast lose efficiency by mid morning. Free literature on nutrition could be obtained from the literature secretary.

The president made the following announcement. That following the study on safety to children on the highways the Department of Highways had been requested to erect "Slow, Watch for Children" signs on the highway approaching Haliburton, and that this had been done with immediate co-operation.

That the local library board had asked us to announce that \$100 worth of children's books had recently been

(See SCHOOL Page 8)

Laurel Duncan Improving

We are glad to report that Laurel Duncan, young daughter of Mr. and Mrs. Edward Duncan, who sustained a broken leg while tobogganing is doing as well as can be expected.

The young lady is in the Ross Memorial Hospital, Lindsay, and it is expected that it will be a month before she is able to return home.

Rare Black Beaver Seized By Game Wardens

Haliburton—Game Wardens seized a large jet black beaver the first of the week and it can be seen at the Highland Cold Storage plant, where it was placed by the wardens, pending prosecution of the party who killed it.

We understand that a jet black beaver is a very rare specimen. This one had apparently been caught in a trap some considerable time ago as both front paws were missing but the stumps had healed over.

It had been killed by being struck over the head.

Shower For Miss Judy Johnston

Minden

On Tuesday, Dec. 9th Mrs. Wm. Coneybeare entertained at a surprise shower for Miss Judy Johnston, a bride elect of January 1st, 1953. After the singing of Christmas Carols led by Mrs. Lorne Corburn with Mrs. Cliff Godwin at the piano, the guests were entertained by a floral love story contest and a skit given by Isla Lytle, Grace Lougheed, Marjorie Pritchard, Dot Graham, Jean Crozier and Bertha Minaker entitled "Why They Never Got Married". The gifts were presented to Miss Johnston by Miss Pat Welch. The beautifully decorated parcels were grouped in and around a wishing well, decorated in pink and white, as was also the bride's chair. The bride elect made a graceful speech of appreciation and the guests sang "For She's a Jolly Good Fellow". This was followed by a delightful supper, including a gaily decorated bridge's cake cut by the bride-to-be. The guests numbered 75.

"The Haliburton County Echo"

COUNTY SPORTS

THE LOCAL SPORT'S SCENE

With the arrival of cold weather over the week end the caretakers of the curling rink and the community arena had the hose out putting the water on to get the winter sports underway. At Minden they have also started to put the ice on in their arena. With a few cold nights we should be underway.

The Haliburton Huskies first home game is scheduled for Dec. 27th. The management of the Club is hoping for cold nights to hold this first game. There is the possibility that this game might have to be played at a later date.

The Minden Monarchs held another successful bingo at the Recreation Centre on Saturday night. Many prizes were given away but none was lucky enough to win the top line bingo.

We see by the papers that the Lindsay Muskies who are playing in the O.H.A. are going at a great clip. They won a game last week by the score of 13 to 1. The Muskies who made a strong bid for the title last season could go over the top this coming season.

The Tory Hill sport fans are hoping to have a good hockey club this season. At the present time the club is out to raise money to get more equipment for the club. They are in high hopes of getting the open air arena back in operation again this season. This open air arena supplied plenty of sports for both young and old last season. This gives one and all the chance to play hockey and skate.

Be a good sport and send in your donation to the T.B. Christmas Seal Fund right away.

The badminton trophies have arrived and they are now on display in the window of Harry Brohm's Coffee Bar. These trophies will go to the winners of the badminton tournament which is now over.

Tonight, Thursday night, the Haliburton Huskies are staging another of their very popular bingos Ernie Nicholls of the Minden Monarchs will help to look after the Minden Arena this season Ken Schinkel of last year's Lindsay Juniors is still setting a high pace in the Junior A with the St. Catharines Teepees The Haliburton Huskies hockey programme is still in circulation. Put an ad in today The Haliburton Huskies hope to have two or three new men trying out for places on the club this season Ice making has begun in all the arenas in the County.

It Takes Money To Operate A Hockey Club

Haliburton—The old cry is out once again. What do the Haliburton Huskies do with all their money. Well we would like to remind all these people that you can't run a hockey club these days on peanuts. Everyone is well aware of the fact that it costs more money to day to run any type of business than it did a few years ago.

For instance the local club needed equipment very badly and this equipment is away up in price.

Secondly transportation to the out of town games is higher than a few seasons ago.

The players must eat on these away games and as any housewife can tell you food is up in price.

All these things and many more make it very hard for a hockey club to make ends meet. We can truthfully say that the money is not being spent foolishly but is going to the needs of the club.

While watching a game at the Haliburton arena with a good crowd in attendance one might be of the opinion that the Huskies will have a lot of money now. But did you ever stop to realize that a long trip away from home can soon eat up a big home gate.

This Season Let's Be True Sport Fans

This season let's be true sports fans. By this we mean pay our money at the gate like any real home town sport fan would do. In the past, last year to be exact, some of the so called Huskies supporters went up to the games and tried to sneak in without paying their admission.

Some of these so called sport fans when caught would come out with the excuse that they have contributed to the club in other ways and drove their cars for nothing. Do these same people ever stop to realize that many of us do this same thing but still feel as though the admission must be paid at the gate.

To operate and stay on the right side of the ledger the local club must have every admission they can get. This means that everyone has to pay. Some of the fans have come in the arena on child's tickets. Others in on theatre tickets. This is one way to stop hockey in Haliburton and put the club in the red.

It is our opinion that a turnstile should be placed in the arena and a fence put up allowing only one at a time to go in. What will happen if this is not done? Well the same thing as in other seasons. A man trying to tear the tickets can't watch a job all going in at the same time. This season let's go up and cheer the team on to victory but at the same time pay our way in.

**A Brighter Future
For The County**

On Friday last, a meeting of great importance, which we believe will have a very marked effect on the future of our County, was held in Minden when a number of business men from Haliburton and Minden gathered together to discuss and formulate plans for the setting up of a County Chamber of Commerce.

Messrs. David Thompson and Harold Pollock, the president and manager of the Lindsay Chamber, addressed the meeting and told how a County Chamber could be of tremendous benefit to all the citizens.

It was a very enlightening talk and the speakers gave a clear and concise explanation of the workings of a Chamber of Commerce.

This paper has advocated the formation of a Chamber and since hearing the speeches of the two Lindsay officials, we are more than ever in favor of it.

As this association will be of great service to all, it is hoped that everyone, in every part of the County, will forget past prejudices and petty jealousies which have in the past hindered and handicapped worthwhile ventures, and by getting behind the new Chamber of Commerce, make it a powerful and effective instrument to not only bring business and prosperity to our County but to draw our various communities and business people into closer relations of friendship and good fellowship.

**PEN PICTURES
OF PARLIAMENT**

by CLAYTON W. HODGSON, M.P.

December 11th was "battle royal" day in the Commons. The C.C.F. and Social Credit leaders were engaged in a verbal feud. Mr. Coldwell hurled accusations at Social Credit leader Mr. Lowe and Mr. Lowe replied with more mud slinging. Other members of both parties joined in the fray, using such phrases as "cesspool politics" and referring generally to the last Provincial Election in British Columbia, taking in very little federal legislation. In replying to the Speech from the Throne there are wide open spaces for debate on almost any subject, within the Order of the House, and they are taking full advantage of this situation for political favor.

All opposition parties are agreed that there should be some sort of health assurance in Canada, but disagree on the technicalities or systems of operation. The C.C.F. are for compulsory state medicine, the Progressive Conservatives, quoting George Drew, are in favour of health insurance with a financial arrangement between the Provinces and the Dominion, in consultation with the municipalities and the medical profession. Mr. Drew also said that a committee should be appointed now, to study the situation, with representatives of the provinces, municipalities and medical profession.

There are several organizations in Canada aiding the Government Department of Immigration in bringing more immigrants to Canada. Under this system the Department of Immigration pays the cost of transportation and expenses, and loans have been made to more than 15,000 persons, amounting to \$3,020,310.00. This is approximately \$200.00 for each person. At present 1,500 of these are in default and 200 cannot be traced at all.

I put some questions on the Order Paper in reference to the uranium deposits of Haliburton County and Mr. Howe refused to answer any of them. It has been proven by diamond drilling and other preparatory work that there are large quantities of uranium ore in the Haliburton area, but the Government refused to recognize it. In fact they refused to give the assay report on ore sent to Ottawa for that purpose.

I am glad to report the wig-wags at crossing on Highway No. 12 at Brechin will be installed in the near future. Also the docks at Hawk Lake and Minden are under consideration.

Dignitaries from Scotland arrive at Ottawa—The Lord Provost accompanied by the Lady Provost (The Rt. Honorable James and Lady Miller) of Edinburgh, Scotland, were met at the Parliament Building doors by the Sergeant at Arms and escorted to the Speaker's Chamber and later entertained at dinner by the Speaker of the House, the Honorable Ross Macdonald and Mrs. Macdonald.

I have just finalized the last application for proof of age from one hundred and six people, over seventy years of age. If there are any others who require assistance in proving their age I will be very glad to be of service to them.

I wish a happy Christmas season to all my constituents.

Don't let an
ACCIDENT
spoil your Holiday!

Christmas and The New Year again usher in
a season of festivity and good fellowship.

As in the past it will also be marked by
increased dangers — more traffic, more hours of
darkness, slippery roads, and holiday haste and
impatience.

I appeal to Ontario citizens to overcome
these added hazards by greater care and common
sense when walking or driving.

Don't let an accident spoil
holiday happiness for yourself or
for others.

Think SAFETY — Drive SAFELY

ONTARIO DEPARTMENT OF HIGHWAYS

HISTORY of the PROVISIONAL COUNTY of HALIBURTON

Compiled by R. H. BAKER

THE SCHOOLS

The following information is supplied by Mr. Pentland, who spared no pains in getting the information together as the reports embraced East Muskoka and sometimes part of Nipissing.

In the Spring of 1921 Geo. E. Pentland, M.A., who had been appointed inspector the previous September began an aggressive policy of Consolidation of certain schools.

Consolidation had been tried in many parts of Canada and the United States, hence, while it was a new idea in the County, there was plenay of proof that the plan would work. That winter many meetings were held, principally in the neighborhood of Gooderham and Wilberforce, with the result that school sections Nos. 1, 2 and 5 Glamorgan, came into Consolidation, a fine new building being erected at Gooderham in 1923, while at Wilberforce Nos. 1 and 3 Monmouth joined up a new addition being built at Wilberforce.

This type of school is somewhat unique, as the children living more than a mile from school are driven in vans, and as the vans are heated in the winter, the weather conditions make little difference, even to small children, who can attend every day in the year and as all such schools are graded, the children receive much more individual attention than they could hope to get in an ordinary school.

Furthermore as the new plan worked well the people of West Guilford fell into line and a fine consolidated school is at the energetic and thriving point.

There are thus three consolidated schools in the County, a larger number than in any other County in Ontario.

The attendance at those schools is as stated very remarkable, frequently every pupil on the roll in the room being present.

It will thus be seen that the attendance at this type of school is very great, and it is not surprising that these schools, every year, pass an unusually large number of pupils for both entrance and lower schools.

As already pointed out, there were many teachers in the County teaching on permits, and had been for several years, yet in June, 1922, Inspector Pentland thought the time had come when an advance to teachers qualifications should be made, and he decided to discontinue the issuing of permits to non-qualified teachers. This decision caused much alarm in certain parts of the County, but Inspector Pentland would not recede from the position taken, and when the schools opened in September, 1922, the lowest certificate recognized was what was known as the District Certificate.

To obtain this standing teachers must have the academic standing to lower school, and must attend a model school, taking at least the summer course of professional training.

To cut off thirty-two teachers certificates at one swoop seemed somewhat arbitrary, especially when most of them were young men and women from the County. But results showed that it paid to do so, as the following year, 1923, 67 children passed the Entrance, the largest number in the County's history till that date.

Furthermore, knowing that their certificates would be invalidated, many teachers attended the Model School that summer and obtained the District standing.

In this year we find that 1948 children were in attendance in the school, a slight decrease from the preceding year. Of these 746 were boys and 752 girls. The average attendance for the year was 867 or about 58 per cent of the possible attendance.

The salaries for men totalled \$8,750 and for women \$42,150 the average salary being \$812.00. Of the sixty-two teachers in the County only ten were men.

A year later in January, 1925, the Inspector, in reporting to the County Council the work for 1924, pointed out that the attendance had decreased for the year. Only 1435 children being enrolled. 708 boys and 727 girls, but of these 260 were in the fourth book, or about 79 per cent of all the children in the County proceeded to that class. This was one of the chief features of progress during the year, as heretofore, about half the children left school when in the third class.

But the greatest advance of all in 1924 was in the number of children taking High School work, there being a total of 94. This many seems small but when we remember in September, 1920, the High School population of the County consisted of one pupil in fifth class, and nine in the Minden Continuation School, we see that the four years had made a colossal advance in that important detail. And in this year the Department sent the County \$516.70 special fifth class grants.

In the year 1924, while the roll for the County was 1435, yet the average attendance was 834, or nearly 60 per cent a slight increase over 1923.

During the year, of the 60 teachers in the County, 17 held third class certificates, 41 seconds and 2 firsts, the old District Certificates being refused recognition in the summer of 1924.

In the year 1925 we find little change, the County seeming to have settled down to a regular routine. For instance of the 64 teachers employed, 4 had first class certificates, 36 had second, and 24 held thirds. The attendance had further decreased only 1424 being on the roll. But in certain schools a large High School increase had taken place, so much so that the Haliburton Trustees (S.S. No. Dysart) decided to start a Continuation School, and did so, making provision for carrying pupils to the end of Junior Matriculation. This was a great advance over any scholastic attainments ever attempted in the largest school in the County. But even this left 72 children taking High School work in the Public Schools, the total of all High School pupils for that year being 105.

TV Discussed In Speech From The Throne

Comment Re: Television Policy announced in Speech from the Throne.

The announced policy will solidify the Canadian Broadcasting Corporation's huge commercial monopoly. It shows clearly that the Canadian Broadcasting Corporation is not a purely public service body, and that it pays no more than lip service to the development of Canadian culture and Canadian talent. The announced policy permits CBC to establish by its own choice a monopoly on television in the commercially attractive areas; leaving remote and outlying areas to be served by non-government capital. Monopolies are undesirable, and, moreover, experience in Toronto has shown that the CBC's monopoly in other cities sets the same pattern, Canadian television set owners will be increasingly subjected to United States programs and influence, establishing habits that will be difficult to break when and if the CBC ever permits non-government television in these cities. This policy places staggering power in the hands of the Canadian Broadcasting Corporation; permitting it not only to maintain its present regulatory powers but to decide for itself in what areas it will have a complete television monopoly.

St. George's W.A.

St. George's W.A. met at the home of Mrs. Elwood Austin, Tuesday, Dec. 9th at 8 p.m. with 18 members present.

Rev. Cathcart opened the meeting with the W.A. Litany followed by the Lord's Prayer and the Members' Prayer.

Miss Clarke read the Bible lesson taken from the 1st chapter of St. John, Verses 1 to 12.

The minutes were read and adopted, as was the financial statement which was presented by the treasurer showing a substantial balance on hand.

During the business session the treasurer was authorized to pay the balance of \$123.00 owing on the new furnace at the rectory also \$40.00 to the Sunday School.

December 19th was the date set for decorating the church for the Christmas season.

Mrs. Elwood Austin, the president expressed her appreciation to the officers and members for the support that had been accorded during the past year.

Rev. Cathcart also thanked the W.A. members for their co-operation during the year.

At this point Rev. Cathcart took the chair and conducted the election of officers which resulted as follows.

Honorary President Mrs. Eleanor Douglas.

Pres., Mrs. Elwood Austin.

1st Vice, Mrs. Mendal Smith.

2nd Vice Mrs. C. W. Hodgson.

Sec., Mrs. Marjorie Hodgson.

Treas., Miss Elaine Roberts.

Dorcas Sec., Mrs. Sid Johnston.

Living Message Sec., Mrs. Hugh Burke.

United Thank Offering Sec., Mrs. Val. Hoxie.

Extra Cent A Day Secretary, Mrs. Roy Howe.

Social Service, Mrs. Mark Dean.

Jr. Supt. Sec., Miss Williams assisted by Mrs. Winnet Austin.

Little Helpers Sec., Mrs. T. Williams assisted by Mrs. L. Pearsell.

Prayer Partner Sec., Mrs. Bruce Henry.

Shooting Stars, Minden Rotary Club Show

Shooting Stars, sponsored by the Rotary Club and under the direction of Miss Roberta J. Noel, at the Recreation Centre on December 10 and 11, was a novel and unique show. Along the lines of a radio programme, there was plenty of action, singing and good laughs. The small children and high school girls deserve a great deal of credit for their showing, when it is considered how little time there was for rehearsals. The grown-ups taking part appeared to enjoy their impersonations as much as the audience. On Wednesday night the Queen for the Day was Mrs. Andy Kernohan. She was robed in a scarlet cloak, crowned and presented with handsome gifts. The presentation was made by the Roxy Rockettes, the girls' chorus. Thursday nights winners by popular choice was Mrs. Thos. Ferguson, and she was similarly crowned and feted.

The Tiny Tot Popularity Contest Created a great deal of interest in the town and the penny-a-vote gave a good boost to the Crippled Children's Fund of the Rotary Club. The winners, Barbara Brown for the girls and Peter Windover for the boys were presented with loving cups on the last night, and the choice was unanimously approved by those present.

A radio performance is something new for Minden performers and the novelty appeared to please everyone. A nice boost was given at the same time to the Rotary Club's untiring efforts to raise funds for service work.

There being no further business the meeting closed with prayer.

Refreshments were served by the Hostess, assisted by Miss Clarke and Mrs. Sid Johnston.

MINDEN

The marriage of Judy Johnston, only daughter of Mr. and Mrs. Kenneth Johnston of Toledo, Ontario, to Glen Arthur Vasey, son of Mr. and Mrs. Mark Vasey of Minden, will take place in Minden on Thursday, January 1st, 1953.

Mr. and Mrs. Ernest Voycey and daughter Linda of Cambridge visited with Mr. and Mrs. Phil Robinson on Sunday.

An air of happy anticipation and not a little excitement have been prevailing St. Paul's Rectory during the past couple of weeks because the Rector and Mrs. Irwin have been looking forward to the homecoming of their entire family. John is to come from King's College in Halifax, Eric from Bishop's College in Sennoxville, Que., George from the University of Toronto, and last but not least Patricia from Mount Albert where she is teaching in her first school. They are expected to begin arriving any time now and should all be home by Sunday for the Christmas vacation.

The LOBA are sponsoring a card party in the Orange Hall on Thursday, December 18th. As well as prizes for canasta and euchre, there will be a draw for a Christmas cake.

Mr. Martin Taylor of Anaroid, Sask., is visiting his sister Mrs. Jennie Fairfield.

The Misses Joanne Austin, Evelyn Minaker and Yvonne Harrison motored from Toronto with Mr. Don Cummings and visited friends and relatives last week end.

Miss Marjorie Walker spent Wednesday in Napanee.

Miss Joanne Currie of Peterboro spent the week end with her parents, Mr. and Mrs. Ken Currie.

Mr. and Mrs. J. Walker made a business trip to Lindsay this week.

Mr. and Mrs. Geo. Phiffen spent Saturday in Lindsay.

Mr. and Mrs. Francis Taylor and Peter, and Mrs. Reg Booth spent the week end in

Hamilton.

Messrs Boyd Balkwill, Mac Irwin and Garnet Lytle attended a hockey meeting in Bracebridge during the week end. At this time the hockey schedule for the 1952-53 season was drawn up.

Mr. and Mrs. James Smith were in Toronto last week.

Mr. and Mrs. Robt. Coburn motored to Lindsay on Tuesday.

Mrs. Bob Kirkwood and Miss Betty Macarthur have booked their passage for a trip to England on the S.S. "Samaria", sailing April 17th. They expect to return toward

Main St. in Minden is very gay these days. The shop windows are alight with Christmas decorations and gorgeous presents for young and old. Every store is thronged with buyers and it looks as though the Christmas stockings will be filled to overflowing and the Christmas dinner table loaded with good cheer.

Minden United Church is holding the annual Christmas Service on Sunday evening with seasonal music and carols.

Messrs Del EHis, John Oswald and Bob Mellor spent the week end as guests of Mr. Frank Welch.

in the Southerly limit of Newcastle Street distant Westerly thereon 73'0" from the Westerly limit of Chandos Street; THENCE Southerly and parallel to the Westerly limit of Chandos Street 190'0"; And upon which there is located a large double garage, one single garage and a large barn suitable for storage purposes.

CONDITIONS OF SALE

1. The property described above will be put up for sale in 4 parcels.
2. The Victoria and Grey Trust Company, the Administrators of the said Estate, shall not make any reserve bid at the sale, but Hazel Kellett, Irene McKelvey, George Kellett, Elmer Kellett, Stanley Kellett and Chester Kellett, the heirs-at-law of the above-mentioned deceased, shall be at liberty to bid.
3. The highest bidder shall be the purchaser and if any dispute shall arise as to the last or highest bidder the property in dispute shall be put up at a former bidding. No person shall advance less than \$20.00 at any bidding, and no bid shall be retracted.
4. The purchaser shall at the time of the sale pay down a deposit in the proportion of \$10.00 for every \$100.00 of the purchase money to the vendor or his solicitor, and sign an agreement to complete the purchase according to these conditions, and shall pay the remainder of the purchase money at the office of Hugh T. Nichol of Minden, Ontario, the vendor's solicitor, within 30 days.
5. All adjustments of insurance, taxes and other assessments to be apportioned to the date of completion of sale, when possession shall be given.
6. The purchaser shall be allowed 14 days to investigate the vendor's title at his own expense, during which time he shall make any objection to the title in writing to the vendor's solicitor. In default of making any such objections, the purchaser shall be deemed to have accepted the title.
7. If any objection shall be made which the vendor shall be unable or unwilling to remove, the vendor shall be at liberty to rescind the sale and, in such case, the purchaser shall receive back the amount paid in full satisfaction of all claims.
8. If the purchaser fails to comply with the conditions aforesaid or any of them, the deposit and all other payments made thereon shall be forfeited, and the property may be resold, and the deficiency, if any, on such resale, together with all charges attending the resale, shall be made good by the defaulter.
9. Time shall be the essence of these conditions.

NOTICE

NOTICE IS HEREBY GIVEN that the Municipal Council of the United Townships of Anson, Hindon and Minden intend to pass a By-law stopping up and closing the south half of that part of the original road allowance between Lots 1 and 2 in Concession 3 and Lots 1 and 2 in Concession 2 of the Township of Minden, in the Provisional County of Haliburton, extending from the westerly limit of Highway No. 35 to the easterly limit of the 66-foot original road allowance along the shore of the Gull River, and to sell said portion of said road allowance to Jack Austin of Haliburton, Ontario, in consideration of the said Jack Austin conveying to the said Municipality a parcel of land 33 feet in width lying immediately north of the said original road allowance between Concession 2 and Concession 3 of the Township of Minden and extending from the westerly limit of Highway No. 35 to the easterly limit of the 66-foot original road allowance along the east shore of the Gull River.

NOTICE IS HEREBY FURTHER GIVEN that before the final passing of said By-law the Council will hear at the Council Chambers in the Community Centre Building in the Village of Minden on the 12th day of January, 1953, at the hour of 2 p.m. any person, or his counsel, solicitor or his agent, who claims to be prejudicially affected by said By-law and who applies to be heard.

Fred B. Wright,
Clerk of the United Townships of
Anson, Hindon and Minden.

"FOR EVERY EVENT —
IT'S KENT"

THE WEEKLY ROUNDUP

At last "YES" to all you out of town subscribers, we can finally report that we have snow. Over the week end a snow storm arrived that has covered the ground and makes it look more like Christmas all the time. For a while it looked like we were going to bring that song out "I'm Dreaming of a White Christmas" to see if that would help matters any. But our dreams have come true and it looks like a white Christmas.

Tonight the Haliburton Huskies are staging another one of their fine bingos at the Haliburton Community Hall. Special prizes are being awarded for this night. This is your opportunity to get out and win yourself a turkey for Christmas and along with that you will be helping the hockey team out.

Here's a deer tale that has been held over from hunting season and we would like at this time to carry it on to you. You have heard of killing two birds with one stone. Well, Bob Bartlett of Canboro and Attercliffe Station Hunt Club has a new one. He killed two deer with one shot. Bob shot at a doe and the shot passed through the doe and into her fawn running at her side, thus killing them both with one shot. The club spent a week at Jack Boughners in the Haliburton district and brought home eight deer.

This you won't want to miss, "SPECIAL" The Christmas Story on coloured film. Come help sing the old carols from the screen. This is at the Beaver Theatre at Minden on Sunday, Dec. 21st at 8 p.m. Everybody is welcome.

The Minden Rotary Club are sponsoring a New Year's Dance at the Minden Recreation Centre on Wed., Dec. 31st at 9 p.m. Music will be supplied by the Minden Orchestra. A draw will also be made on this evening for a General Electric Radio-Phonograph Combination. Proceeds are in aid of children's work.

Who said that the mud wasn't really thick in the County last week. One of the students at the Haliburton High School got her feet stuck in the school grounds and the principal had to be called on to bring her out.

Al Perrin, owner of the Golden Slipper Dance Pavilion, announces that there will be a Christmas night dance and a New Year's Eve dance at the Slipper to celebrate the Yuletide season.

We would like to announce that the Haliburton Rotary Christmas Tree and Party will be held in Haliburton this Saturday.

Don't hesitate. Now is the time to send in your donation to the T.B. Christmas Seal Campaign. Put your money in an envelope and send it in right away.

The Department of Highways men in this district are to be congratulated for getting out on Saturday night and putting sand on the highways. Just as soon as it could be seen that the highways were becoming slippery the men were soon on the job.

Work is progressing at a great rate of speed on the new Salvation Army Hall in Haliburton.

One thing that seems to be missing in both Haliburton and Minden is a Santa Claus Parade. We hope some day that the steam can be put behind this to really put it over.

hard-earned dollars. And you *can't* be
certain until you see us. So come in and
check the deal we offer you. See how much

more you get in Chevrolet... and how
much *less* you need to pay. See *why* more
people buy Chevrolets than any other car
... the strongest possible proof that Chev-
rolet offers you more value, too. See us now
for the deal you deserve!

THERE'S NO VALUE LIKE CHEVROLET VALUE!

**LOWEST PRICED IN ITS FIELD**

This beautiful Styleline De Luxe 4-Door Sedan lists for less than any
comparable model in its field. (Continuation of standard equip-
ment and trim illustrated is dependent on availability of material.)

**See what you gain with these
Wonderful Chevrolet Features**

More Powerful VALVE-IN-HEAD ENGINE
with Powerglide automatic transmission

Chevrolet offers you time-proved Powerglide,
the simpler, smoother, *fully-automatic* trans-
mission, with its own extra-powerful engine.
Optional on De Luxe models at extra cost.

GM "SHADE-LITE" GLASS ALL AROUND
with exclusive, graduated windshield tinting

Available at extra cost, GM "Shade-Lite" tinted
glass all 'round, reduces glare and heat, adds
greatly to your driving pleasure. The *exclusive*,
graduated windshield tinting is an important
safety factor.

BODY BY FISHER

Fisher Body is world-famous for smarter styling,
for superior craftsmanship, for the strength and
safety of Unisteel Construction. Chevrolet gives
you all the advantages of Body by Fisher, in-
cluding greater protection and a quieter ride.

LARGER BRAKES

Chevrolet's powerful Jumbo-Drum brakes are
a full 11 inches in diameter. This extra size
means easier, safer stops. *Bonded* brake linings
— no rivets — last up to twice as long.

CENTREPOISE POWER

Chevrolet's great valve-in-head engine is center-
ed, poised and cushioned in rubber by high-side
mountings. Vibration and power impulses are
screened out. Performance is smoother under
all driving conditions.

UNITIZED KNEE-ACTION RIDE

For your greater comfort, Chevrolet's entire
front suspension system is assembled and
balanced as a separate unit. That's one important
reason why Chevrolet's Knee-Action ride is so
outstandingly smooth.

It Pays To Advertise

Toronto, Ontario—Weekly newspaper advertising has been one of the determining factors in making Canadian consumers aware of the importance of buying "Brand Name" goods at the local market level. J. P. Gledhill, president of the Packaging Association of Canada told members of the association.

"The combined effects of newspaper advertising and pleasingly designed packages he said have been primarily responsible for the broader distribution of Canadian manufactured goods in this country."

Commenting on what he termed "a noticeable decline in personal salesmanship at the retail level," Mr. Gledhill stated that manufacturers, retailers and distributors have had to "counteract this trend by creating a consumer interest in the product through newspaper advertising and by packing the product in a container that will tell its own story and close the sale."

"It is no longer sufficient," Mr. Gledhill emphasized, "that a product be of sound quality and value alone. It must be properly advertised and packaged to ensure the best results at the retail level. The beneficial results of advertising speak for themselves," he continued, "and the vital importance of packaging in our present economic scheme may be found in the fact that the Packaging Association of Canada now represents a \$650,000,000 industry employing over 100,000 people."

Mr. Gledhill further stated that the first Canadian National Packaging Exposition which is being sponsored by the association in Toronto will reflect the buying habits of the general public through a multitude of displays covering the latest packages and containers which have become consumer bywords through soundly placed advertising at the local level.

This merchandising tie in between newspaper advertising and packaging is "a combination that has to a large extent been responsible for the continued success of the Brand Name," Mr. Gledhill said.

To Whom It May Concern

I wish to retract all statements I made with regards to responsibility for debts incurred in my name.

What's The Holdup?

Considerable agitation is afoot these days to secure daily mail service to Eagle Lake and West Guilford. While other communities are receiving daily service in this respect, these two large and thriving communities still only receive mail three times per week.

There is another aspect to this situation and that is the congestion of mail at our local post office. Since the local office was constructed, great growth has taken place and especially during the summer and Christmas seasons space for mail incoming and outgoing is at a premium.

If mails were despatched daily to West Guilford and Eagle Lake this situation would be greatly eased.

These two communities deserve daily mail service and they should have it without delay.

The Note To Santa

He wrote a note to Santa Claus
Did little Tommy, three,
Old Santa scratched his head a bit
And laughed in silent glee.

For in the note was crudely drawn
An engine and a train
As Santa took another look
He laughed and laughed again.

Now Santa is a jolly Saint
Who likes a joke you see,
And he could see a vision
Of a little boy of three.

Lying flat down on his tummy
With a paper and a pen,
Writing notes to dear old Santa
And illustrating them.

For Tommys' sketches of the train
Were something to behold,
The bulging engine and the cars
Were made with strokes quite bold.

So Santa said I guess we have
A budding artist here,
Then to his little elf he spoke
Bring me a train my dear.

We'll give this one to Tommy three
'Tis just the proper style
Just put it near his little sox
Said Santa with a smile,
—Mavis Noice.

Curlers To Start On Dec. 29th

The Haliburton Curling Club are anxiously waiting at the present time for ice in their curling arena. They had high hopes of ice earlier to start the beginners off on a two weeks practice before the regular schedule. But with warm air the ice went off and now they have to start flooding all over again. So there is little chance of the beginners getting very little practice before the regular schedule starts.

We would like to announce that the Haliburton Curling schedule will start on Monday night, Dec. 29th with most of the clubs in action. This season looks very good for the local club with over 100 curlers signed up and with 20 rinks in the regular schedule. This is the most rinks that have ever participated in the regular schedule.

DANCE — at the SLIPPER XMAS NITE

(Continued from Page Six)
Quite a number from here attended the Gelert School Concert on last Tuesday evening.

Sorry to report Ruby Robertson has been quite ill with pleurisy. A speedy recovery is wished to Ruby.

Mr. Ralph Alberton spent Sunday evening with Mr. and Mrs. Keith Hill.

SCHOOL

(Continued from Page 1)

bought and all children were invited to become members for the small annual fee of 25c.

That our association was anxious to co-operate with the local Recreation Association and hoped to have a speaker from them to a future meeting, and that hockey for boys of all ages was being organized shortly.

That the next meeting would be January 19th, when Miss Singer of the Canadian Red Cross would be the guest speaker, and that the Executive meeting would be January 5th.

Two films were then shown "A Feeling of Hostility" and "They Act Their Ages", the latter being the first of a series of child behaviour films. Hope was expressed that more of this series be shown at future meetings. Pamphlets by Dr. S. R. Laycock on a wide variety of subjects including child psychology, sex education and teen age problems were made available to the members.

The meeting adjourned with the National Anthem, and a social period followed over the teacups.

Notice to Truckers

We have been requested by the Provincial Police to notify all truck drivers who may be carrying Christmas trees, that the width of load must not exceed 96 inches.

Anyone failing to observe this rule is liable to find himself facing the Magistrate.

Card of Thanks

We would like to say thank you for the lovely gift Mr. and Mrs. Walter Besse gave us on behalf of our Eagle Lake friends and neighbors. A very useful gift that reminds us of you every day. Thank you.
—Marjorie and Harry Bagshaw, 50 Heber St., Trenton, Ontario.
